

Home For Christmas

1,000 pledges of \$18 per month will fill Home #4 with love, laughter & lots of children just in time for Christmas!

Why is giving \$18 per month "Money Well Spent?"

- A child is assured 3 meals a day
- A child may ride a horse for the 1st time
- A child can sleep safely & securely
- A child will hear "I love you!"
- NO child will experience verbal, physical or sexual abuse

"At Coyote Hill we make some very serious commitments to the children & youth placed in our care. When a child comes to Coyote Hill, we make a multitude of promises from making sure they eat healthy, have a safe home to live in, receive a proper education with tutoring as needed, get any needed medical attention, and most of all have a fun and safe place to be a child.

Making all these promises and commitments to the children & youth means we need to be sure we will have the necessary funds to meet these needs. That's just one reason why the commitment of others in the community to donate at least \$18/month is so important.
--Larry McDaniel, Executive Director

A Balancing Act

Providing private lessons for our children is normally not financially possible. However, due to generous donations for Christmas 2009, two of our girls were blessed with six months' worth of gymnastic lessons.

The girls enjoyed it so much that we would like to be able to continue their lessons through Christmas 2010. Gymnastics not only helps with self-esteem & discipline but also is helping one girl towards her career choice. She stated, "Gymnastics teaches me persistence and will help me become a P.E. coach some day!"

"A person can grow only as much as his horizon allows." -John Powell

The girls' lessons cost \$40 each, per month. To help sponsor their lessons through the end of the year - use the enclosed envelope and designate it for "gymnastics."

Gymnasts know how to "Hang in There!"

Sarah and Ross swap tires on her car.

What do Spanky, Alfalfa and one of our girls have in common? Racing in a Soap Box Derby, of course!

Sarah,* a 10-year-old girl, was given that unique opportunity by her sponsors, Ross & Cindy Mutrux of Mutrux Automotive. Sarah loved it, and Ross & Cindy witnessed first-hand the benefits of the life skills Sarah is learning at Coyote Hill. They were impressed with her great sportsmanship, positive attitude, and ability to follow instructions.

At one point during a practice run, Cindy asked Sarah to use her brakes...but Sarah kept right on barrelling towards the finish line. When Cindy later asked her why she didn't listen to her, Sarah replied, "The crew chief (Ross) already told me not to brake for **anything!**"

Cindy was also impressed when, mid-way through race day, Sarah stated, "**I don't care if I win or lose today; I'm just happy to be a part of this!**"

Investing in the life of a child, no matter how large or small, is always a win-win situation.

Thanks, Ross and Cindy, for helping Sarah experience an old-fashioned & exciting "Place to Be a Child!"
